## China lezing: sterke persoonlijkheden met gedegen China kennis.

Op uitnodiging van VNT gaven Annie Zheng Yi en Jan van der Putten op donderdag 8 maart 2012 een succesvol seminar over zakendoen in China. De laatste 5 jaar hebben Annie en Jan al op vele verschillende bijeenkomsten samen lezingen gegeven. Door hun sterke persoonlijkheden en gedegen China kennis vullen ze elkaar perfect aan en staan ze garant voor een zeer leerzame en direct toepasbare kennis overdracht.
